Attitude For Altitude: Leading Beyond Formal Authority

This two day program is designed to equip participants with the skills and knowledge to improve their leadership qualities so that they can more easily get results with or without formal authority. It will help participants to understand themselves and others better, and provide them with specific skills for managing themselves and leading others more effectively.

MODULE OUTLINE

Module 1: What Makes A Leader A Leader

Module 2: Setting Directions With Compelling Visions

Module 3: Styles Of Leaders

Module 4: Leading From Wherever You Are – 360 Degrees Leadership

Module 5: Communication And Conflict Management For Leaders

Module 6: Motivating People You Lead

Module 7: Case Studies

Module 8: Bringing Everything Together

WHO SHOULD ATTEND

This program is beneficial for non-executives, executives, supervisors and junior managers who need to get results at work. It is especially suitable for those who may not have much formal authority but still need to lead others.
