

COST ANALYSIS

OBJECTIVES

Participants will be able to understand the importance of finance and its implication on the overall everyday operations of an organisation. After this course, the participant will be able to:

- Understand key cost analysis and other relevant terminology
- Understand what truly drives product cost
- Evaluate variances to identify the true cause of less than optimal performance
- Provide managers with timely, accurate information to support tactical and strategic decisions
- Use cost analysis to improve profits
- Analyse reports to make sound pricing decisions
- Select the right cost system for your company
- Measure results against budgets with greater accuracy
- Optimise the use of people, resources and materials

- Accountants, Auditors, Tax agents, Directors, Senior management, Managers, Officers, Financial analysts, Academicians and other interested parties.
