

MONITORING & MEASURING TRAINING EFFECTIVENESS (ROI) AND TRAINING MODULE DEVELOPMENT

COURSE OVERVIEW

Measuring the effectiveness of training programs consumes valuable time and resources. As we know all too well, these things are in short supply in organizations today. Many training programs fail to deliver the expected organizational benefits. Having a well-structured measuring system in place can help you determine where the problem lies. On a positive note, being able to demonstrate a real and significant benefit to your organization from the training you provide can help you gain more resources from important decision-makers.
