INFORMATION

INTRODUCTION

This is an intensive workshop on accounts receivable and credit policies management. Sales are important in business; however, it is essential to ensure that the amounts sold on credit are ultimately received on a well-timed basis with minimal bad debt losses.

LEARNING OBJECTIVE

- Define the function of Accounts Receivable (AR) and its role in organisations
- Run the Accounts Receivable process more efficiently
- Apply tools and techniques to effectively monitor AR performance
- Develop effective credit policies that meet company's objectives
