AUDIENCE

The course is suitable for Finance Managers, Senior Accounts Executives and Accounts Executives whose responsibilities include the preparation of monthly management accounts and yearly Financial Statements.

We're here to assist you to overcome challenges & achieve your desired goals.

LEARNING OBJECTIVE

- The objective of the workshop is to introduce the basic concepts of accounting and to highlight the importance of the need to have a proper set of underlying records books and records. The sessions further cover the types of records that need to be maintained and how each of these records forms the basis for preparing the Profit and Loss and Balance Sheet proprietary business.
