

Functional HR in Action - Recruitment, Interviewing and Selection

AVAILABLE FOR OFFLINE & ONLINE

OVERVIEW

Job interviews are critical to the quality of an organization's people. Good job interviews processes and methods increase the quality of people in an organization. Poor job interviews methods result in poor selection, which undermines organizational capabilities, wastes management time, and increases staff turnover.

OBJECTIVE

- Appreciate, understand and take part in the recruitment and selection process in the customized practical approach during the session
- Prepare for interviews as a competent role as an interviewer
- Plan, prepare and carry out an effective selection interview
- Assess the information you obtain during an interview
- Plan and implement good induction schemes for your work team
- Design and implement policies related to retaining staff
