

SUSTAINING L&D POST-MCO

AVAILABLE FOR OFFLINE & ONLINE

OVERVIEW

The world is changed. At the end of 2019 a new virus started spreading rapidly across the planet. As governments collectively placed half of humanity under lockdown, the world's economy has ground to a halt.

OBJECTIVE

- Explain the impact of pandemic and MCO towards Human Resource Management and L&D
- Revisit L&D vision and mission and start adopting
- Implement “pivot to virtual” initiatives to enhance employees’ skill on digital tools
- Plan development program to boost remote working capabilities and shifting business model to designing and delivering virtual events
- Leverage existing digital learning capabilities and Learning Management System in an agile way
- Cultivate growth mindset, transition management and resiliency
