

PERSONAL DEVELOPMENT TRAINING FOR JUNIOR EXECUTIVES

HRDF
Claimable

OVERVIEW

The pandemic resulted many consequences on employees. Big adjustments for everyone whether at work or at home. There is a need for upskilling junior executives for better work productivity. Junior executives will be more confident and effective after the training.

Lockdowns and pandemic challenges cause so many adverse consequences. These junior executives need training and development to be more competent in order to achieve the company's objectives during this time of pandemic crisis. This course helps junior executives to be more productive whether working from home or in the office. The training helps them to manage stress and time for maximum contribution instead of worrying about the pandemic.

OBJECTIVES

- Improving the competencies of junior executives.
- Making junior executives more confident and effective during and post pandemic.
